SINCE 1918

Nebula-ABS-LCD  Nebula-ABS-LED  Nebula-SS-LCD  Nebula-SS-LED

## Features

- Light and Compact indicator
- Cabinets available in ABS and SS304
- Display variants available in LED & LCD
- Functions - Weighing, Piece Counting, Check weighing, Check Counting, Accumulation, Peak Hold
- LCD with colour changing feature
- 9 locations for check weighing and 9 locations for check counting
- C type USB charging port with 5 V 2.4 A power adapter
- Lithium Ion Battery
- RS232
- Bluetooth & RTC (optional)

Nebula Indicators with U bend and Pole Mounting Bracket

## Technical Specifications

| | |
|---|---|
| **Cabinet** | Stainless Steel 304 / ABS |
| **Display** | LED / LCD |
| **ADC Type** | 24 Bit Sigma Delta |
| **Minimum input voltage** | < 1 mV |
| **Minimum input sensitivity** | 0.1 µV per interval |
| **Analogue input range** | 0 mV to 15 mV |
| **Loadcells** | Upto 6 loadcells 350 Ω - 4 wire technique |
| **Calibration** | Using Keys, Calibration in kilograms |
| **Measurement Units** | kg, g, lb |
| **Keypad** | Mechanical Keys, 5 Nos. |
| **Display Size** | 20 mm digit height |
| **Functions** | Weighing, Piece Counting, Check Weighing, Check Counting, Accumulation, Peak Hold |
| **Communication Interface** | RS232, TTL |
| **LCD Display Colours** | White, Red, Green, Yellow, Blue |
| **Operating Temperature** | O$^o$C to 50$^o$C |
| **Power Supply** | 110 V AC to 240 V AC 50 Hz/60Hz through adapter or 5 V 2.4 A through USB C |
| **Battery** | 7.4 V 2600 mAh Lithium Ion |
| **Mounting Type** | Table Mount, Wall Mount, Pole Mount |
| **Net Weight (with Battery)** | 1.6 kg approx. |
